These bumper stickers provide a winning opportunity for everyone involved!

1. The school benefits by selling the bumper stickers as a fundraiser.
2. Consumers benefit by taking advantage of the discounts of local businesses.
3. Local businesses are usually very happy to show their support for their community and schools by participating in effective fundraisers like this. They benefit from the sales brought through this effective form of advertising.

Visit local restaurants, athletic stores or any other local businesses to begin selling coupon spaces. To provide the business owner an incentive, be sure to mention the quantity of bumper stickers the group intends to sell. Here is an example of what can be achieved:
